Housekeeping

- If you are having any issues connecting to the session, please try leaving and re-joining. If you are still having issues, please contact events@britsoc.org.uk
- If I could ask that the audience have their cameras and mics off whilst presenters are speaking to save interference and bandwidth issues. You are more than welcome to switch them on when asking a question
- If you would like to ask a question, please either raise your hand or pop it in the chat box for the chair to read to the presenter
- I'm sure I don't have to say this to such a lovely group of people but, be kind! 😊
This is a supportive space to celebrate the work of ECRs in this field
